Email: rmckee@andrewsmyers.com
Phone: (512) 900-3058
Fax: (512) 900-3082

Profile:

Ryan's practice focuses on advocating for general contractors, subcontractors, suppliers and owners on a variety of construction related issues including construction defects, contract termination, mechanic's liens, performance and payment bonds, breach of contract disputes, and collections matters through litigation and alternative dispute resolution. In addition to his construction law experience, Ryan has business litigation experience handling a variety of complex issues associated with clients in the supermarket and trucking industries. He has argued before multiple district courts throughout the State of Texas, and within Travis County.

Affiliations:

State Bar of Texas, Construction Law Section
Austin Bar Association, Construction Law Section
Austin Young Lawyers Association

Representative Experience:

- Representation of contractors and suppliers in obtaining outstanding accounts
- Represented entities in complex commercial litigation, including preparing pleadings, and other filings conducting discovery, conferring with clients, and opposing counsel, and preparing settlement and release agreements.
- Drafted motions and presented oral argument on a wide range of pretrial matters before multiple state district and county courts. Favorable rulings include dismissal of claims against client and compelling discovery from opposing parties.
- Appeared as second chair and involved in trial proceedings in Travis County District Court.
- Led and participated in depositions of fact, experts, and party witnesses in construction related litigation.
